

Meeting Plan

June 28th - August 30th

Our plan for our regular meetings, starting this week, is as follows:

- Back to our 6-8PM time slot
- Starting back with snacks (carefully provided and prepared by adults)
 - Still trying to have games with minimal contact
 - Keeping more spread out during teaching times

If you are uncomfortable with this arrangement, please Pastor Niel know.

If you would prefer that your student(s) not eat food that we provide, we totally understand, and just ask that they bring their own.
