

## SUPPORT LETTER EXAMPLE

Share the dates of the trip.

Dear Aunt Sue,

I have a great opportunity for spring break (March 29 - April 4) this year I wanted to tell you about. My youth ministry at church is joining up an organization in Mexicali, Mexico, on a mission trip. We will be going into villages to share with the children and families through providing a Bible school program. With other students, I will be leading Bible stories, songs, crafts, and games, and just loving kids.

Share who we're working with and where we are going.

Share some of the details about the place we are going too. Some examples could be:

- Past Connection
- VBS for a large group of Children
- Encouraging Pastors

My youth pastor said that the week is tough--we only get 1 shower and live in tents for the week. But I really want to be part of this experience. I wanted to ask if you would help me in a couple of ways. First, I need people praying for me to stay healthy and that God will use me to touch a kid's life. Secondly, would you consider financially helping me be part of this mission trip? The cost of this trip is \$600. Any amount you could contribute would be appreciated.

Share a personal request for prayer. What parts of the trip are you nervous about?

If you feel led to partner with us financially, please fill out the attached card and send it in the enclosed envelope and make checks payable to "Checkrow Church".

Share the amount of money you need to raise.

Your support, encouragement, and prayers are appreciated. I will send you a note to let you know how the week went. I'm excited about this opportunity.

Love,

Include this, so your supporters know what to do if they want to partner with you financially. You can get the "donor cards" and envelopes from Pastor Brett.
